BECAUSE YOU CARE!

What a great feeling it is to know that because of your strong support for our Golf Tournament over the past 27 years, we've been able to build a full continuum of caring services and create numerous necessary programs to fit the growing needs of our community. Through these personalized services, we are able to provide the critical help that the children and families in our community desperately need,

wherever they are in their struggle, and allow them to start the important process of healing and transforming their lives.

Our Board of Directors and Staff deeply appreciate and thank you for your generous support and for believing in the work we do to help the children and families of our community lead stronger healthier lives!
