## Hearts for Children

At Sierra Vista Child & Family Services, our commitment and care to the children and families we serve will never change, come what may. There have been many changes that we've had to make to adapt successfully to our new reality, to protect others, and to keep our families, friends, and co-workers safe. We will persevere and continue innovating our services to make them as effective as possible while focusing on improving our clients' lives!

In our commitment to protect our community's health and safety during the COVID-19 pandemic, we will not be able to hold our annual Hearts for Children fall event. This doesn't lessen the support our agency needs to provide the critical services we offer to the 18,000 children and families in our care each year. We can still have some fun and healthy competition, as we open the bidding for our online auction. **For 2020, our Hearts for Children event will be an online auction beginning October 10th at 12 pm and ending October 18th at 6 pm on HandBid.** Our auction will benefit the children and families in our local communities who have struggled even more due to the effects of the pandemic. Our children and families have even more difficulty providing for their most basic needs of food, shelter, and employment; we need your support more than ever. There is a mental health crisis looming as this pandemic continues, and the need for our services will be even more urgent for many more clients than we have served before.

**We will be holding our Hearts for Children online auction on an innovative app and website called HandBid.** We would be very grateful if you would consider donating an item to our auction; your auction donations help us continue our critical work in the community. Your support is vital to providing a continuum of services to our clients. We need YOUR help with our auction!

Please fill out and return the enclosed donation form as soon as possible. If you have any questions, please feel free to contact Sherri Darpinian at (209) 523-4573 or [sdarpinian@sierravistacares.org](mailto:sdarpinian@sierravistacares.org).

We are **THANKFUL** for your support, your **DEDICATION** to our community, and your desire to make a **DIFFERENCE** for children and families. We look forward to brighter days ahead when we can gather together to celebrate all of **YOU** and the things that make our community an amazing place to live!
